NEWS & VIEWS

Dr. S. C. Nimkar
Hon. Secretary

From Chairman's Desk

Dear Engineers,

It is indeed great pleasure to meet you all through this News Bulletin. We have celebrated World Telecommunication and Information Society Day at our centre. Mr. Pravin Punj ED, MTNL, Mumbai. Mr. Ashok Kumar Jha DDG (WR) RTEC, Mumbai delivered the lecture on this year's theme "Bridging the Standardization Gap". World Environment Day is also celebrated with lots of informative inputs from the guest speaker. This year's theme was "Air Pollution". Air pollution is increasing day by day and it seems complex to control it but we should come together to combat it and for this it is necessary to understand the different types of pollution, how it affects our health and environment which will help us to take steps towards improving the air around us. We can't stop breathing but we can do something to improve the quality of air that we breathe. Approximately 7 million people in the world die due to air pollution and out of 7 million, 4 million die in Asia-Pacific region.

Belapur Local Centre is celebrating its Silver Jubilee this year. The relentless efforts of former Chairman and Secretaries contributed to a great deal in the development of the centre for the last 25 years. Our centre is located in prime area of Navi Mumbai and owns 6 storey building. We are in the process of NABL accreditation for our material testing laboratory.

Belapur Local Centre had conducted Summer-2019 AMIE examination successfully with the help of Bharati Vidyapeeth Institute of Technology, Navi Mumbai. To help ST members, section-A guidance classes are being conducted in the centre.

I would like to reiterate my colleagues to help the Centre by involving more and more industries to have a healthy interaction between industry and educational institutes so as to equip students from academic side to meet real demand of industries. I request my team members to focus on approaching the Engineering Colleges and Polytechnic Colleges and urge them to establish Students' Chapter at their colleges. Continuous follow-up will yield good results in this regard.

Keshav K. Varkhedkar
Chairman

World Telecommunication and Information Society Day

Belapur Local Centre celebrated 50th "World Telecommunication and Information Society Day" on 17th May 2019. Mr. Pravin Punj, ED, MTNL, Mumbai and Mr. Ashok Kumar Jha, DDG (WR) RTEC, Mumbai were the keynote speakers for the event. Theme for 2019 was Bridging the standardization gap. Mr. Punj in his key note address highlighted the importance of ITU's mission as the specialized agency of the United Nations for information and communication technologies (ICTs).

ITU standards help accelerate ICTs for all Sustainable Development Goals. Mr. Jha explained ITU's bridging the Standardization Gap programme facilitates, the participation of developing countries in ITU's standards-making process, empowers local experts in the standardization process at the national, regional and international levels, and promotes the implementation of international standards in developing countries. He also elaborated India's role in upcoming 5G standardization. Prof. P. N. Tandon, Past Chairman, presented the welcome address. Mr. R. K. Modi, Past Chairman, IEI BLC, introduced keynote speaker. Dr. S. C. Nimkar, Hon. Secretary presented vote of thanks and compared the function.
