NEWS & VIEWS

Dr. S. C. Nimkar
Hon. Secretary

From Chairman's Desk

Dear Members,

Belapur Local Centre has celebrated its Silver Jubilee on 28th February 2020 in grand way. President, Immediate Past President and Past Presidents have graced the occasion. A Documentary and Souvenir is released during the function. Prizes were given away for best industrial practices and best student projects. After this beautiful event we have faced a once in lifetime situation of global pandemic of COVID-19.

We must remember as citizens of the world that protecting lives is our first priority and that prevention & preparedness is the key to ensure resilience against health emergencies including COVID19. Covid 19 pandemic is claiming lives of human beings on hourly basis. Normal life, economy, social lives, education, research, health, technology, arts, science, industry, the entire walks of life are threatened. All flora and fauna are affected adversely.

Creating a world free of COVID19 requires a massive collective effort. We have to fight the pandemic with determination, guided by science and evidence. Since the launching of vaccine and invention of proper medicine against the pandemic are still far away, we have to live with COVID-19. This pandemic has reminded us of a simple truth: we are one humanity.

It is the time to step up together, to prevent needless suffering & to fulfil the promise of a better future for all. Fighting COVID-19 is our joint responsibility. Protect yourself and others, do your part, break the chain of COVID-19 transmission. We have to keep physical distancing and other protocols conducive to alleviate the proliferation of the pandemic. We have to rely more on online technology for all business including education. Friend I am confident that India will come out of this situation very soon and emerge victoriously. Once again it will set an example of success through collective efforts before the world.

Keshav K. Varkhedkar

Chairman

LIST OF SEMINARS

Sr. No.	Activity	Date	Speaker / Association
1	IEI BLC industry meet	10 th Jan 2020	Participants from various industries
2	Three days workshop on "Introduction and Applications of Geographical Information System (GIS) in Civil Engineering"	9 th to 11 th Jan 2020	In association with Student Chapter of Gharda Institute of Technology , Lote
3	Three Days Faculty Development Program on "Computer Networking"	16 th to 18 th Jan 2020	In association with Bharati Vidyapeeth Institute of Technology , Navi Mumbai
4	Technical Lecture on "Solar Photovoltaic Systems : Designs & Case Studies"	17 th Jan 2020	Dr. Mini Rajeev Associate Professor, FCRIIT, Vashi
5	Celebration of "World Engineering Day for sustainable development"	4 th Feb 2020	Dr. M. B. Dagaonkar Council Member, IEI & Ex City Engineer, NMMC
6	Celebration of Silver Jubilee of Belapur Local Centre	28 th Feb 2020	The Institution of Engineers (India) Belapur Local Centre
7	A series of training sessions on "Application of New Seismic Code for Highway Bridges - IRC: SP:114-2018" Part-1	7 th March 2020	In association with Indian Association of Structural Engineers
8	A series of training sessions on "Application of New Seismic Code for Highway Bridges - IRC: SP:114-2018" Part-2	14 th March 2020	In association with Indian Association of Structural Engineers
9	A webinar on "Diet and Immunity Booster during lockdown"	25 th April 2020	Dr. Arti Singh Motherhood Women and Children's Hospital, Kharghar
10	Celebration of "World Environment Day"	5 th June 2020	Dr. M. B. Dagaonkar Council Member, IEI & Ex. City Engineer, NMMC

Celebration of World Engineering Day for Sustainable Development 2020

World Engineering Day or Sustainable Development was celebrated at Belapur Local Center on 4th March 2020. Dr. M. B. Dagaonkar, Council Member was the keynote speaker for the event. Program was started with garlanding Sir Visvesaraya statue followed by lighting the lamp. Welcome address was delivered by Mr. V. C. Kamble, Past Chairman. In his keynote address Dr. Dagaonkar elaborated the significance of logo created for World Engineering Day. With the rapid growth of our development, environment is at stake. He also explained the role of sustainable development in today’s world.

After keynote address Mr. V. C. Kamble, Past Chairman gave a talk on the need of sustain ability in engineering projects. Few members from audience shared their view on sustainable development. Finally Mr. P. N. Tandon, Past Chairman has presented concluding remark and vote of thanks.

25 Years of Engineering Excellence !

Celebration of Silver Jubilee Year

The Institution of Engineers (India), Belapur Local Centre celebrated its Silver Jubilee Year on 28th February 2020. Mr. Narendra Singh, President IEI was the chief guest for the inaugural function. Other dignitaries present during inaugural function were Dr. T. M. Gunaraja, Immediate Past President, IEI, Mr. Sisir Banerjee, Past President IEI, Mr. S. L. Garg, Past President, IEI, Dr. H. O. Thakre, Council Member, Mr. M. R. Kothari, Council member, Dr. Mohan B. Dagaonkar, Council Member, Mr. K. K. Varkhedkar, Chairman, Belapur Local Centre and Dr. Samir Nimkar, Hon. Secretary, Belapur Local Centre. Inaugural function was started by garlanding Sir Visvesaraya Statue. The welcome address was delivered by Mr. K. K. Varkhedkar, Chairman BLC. He also briefed about the Belapur Local Centre and its activities. Council Member Dr. Mohan B. Dagaonkar explained about the IEI which is in its centenary year and also about Maharashtra State Centre. Silver Jubilee Documentary and Souvenir were released on this occasion. All Past Chairmen, Past Hon. Secretaries and Present Committee Members were felicitated by the hands of President, IEI. Mr. S. L. Garg who was elected as president in 2011 in the council meeting hosted by Belapur Local Centre has recalled his memories and praised BLC for its continues progress. In his address Mr. Narendra Singh Congratulated BLC for completion of 25 years. He elaborated importance of engineers in nation building and also its roles and responsibilities. He urged all to observe 4th March as World Engineering Day for Sustainable Development. Vote of thanks was given by Dr. Samir Nimkar, Hon. Secretary.

Three Technical sessions were conducted after inaugural function. Various eminent personalities delivered technical talk and enlightened all the audience with their knowledge.

Mr. Amar Jadhav, Managing Director, Innovative Infocom & IT Parks Private Limited delivered talk on the topic "Skill Development and Innovation".

Mr. Chetan Raikar, CMD, Structwel Designers and Consultants Pvt. Ltd. delivered talk on "Engineering Solutions for the Conservation of Heritage Structures". He has presented case study of Mumbai Rajbhavan restoration work.

Mr. Prakash Bajaj, Computer Help, talked about "Latest Softwares in Civil Engineering".

Dr. Jayesh Bellare, Professor, IITB delivered seminar on "Towards a Bio-Artificial Pancreas (BAP)".

Mr. Rajesh Agarwal, SVP, REDIMTSL, presented talk on "Engineering for unique infrastructure projects".

Mr. Upendra Maheshwari, Executive Director (Supply Chain Management – Inspection), Engineers India Limited, delivered talk on "Supply Chain Management in Hydrocarbon Sector".

IEI BLC Silver Jubilee awards and prizes were presented during award and valedictory function. Mr. Sanjay Kumar, IPS, Commissioner of Police, Navi Mumbai was the chief guest for the function. Mr. K. K. Varkhedkar delivered welcome address and briefed the about silver jubilee program. Dr. M. B. Dagaonkar, Council Member explained about the activities of IEI and Belapur Local Local Centre. Six awards were given to industries in various categories; three awards were presented to startups and 30 prizes were given to various projects of Degree and Diploma engineering students of various engineering disciplines. Associates and sponsors of Belapur Local Centre were also felicitated during the function. Mr. Sanjay Kumar, IPs congratulated Belapur Local Centre for its silver jubilee celebration and expressed his desire to work with Institution to solve the problems faced by police department related cyber-crime. He also advised young engineering students to find the engineering solutions which will be beneficial to society. Votes of thanks are proposed by Dr. Samir Nimkar, Hon. Secretary.
