

The Institution of Engineers (India)
Belapur Local Centre

IEI BLC
Silver Jubilee Awards
2019
(Industry)

25 Years of Engineering Excellence

About The Institution of Engineers (India) :

The Institution of Engineers (India) is the largest multi-disciplinary professional body of engineers with 15 engineering disciplines and over 2,00,000 Corporate Members in India and abroad. The Institution was established in 1920 and was incorporated by Royal Charter in 1935. In order to provide special attention to some of the important national issues, in addition to engineering disciplines, it has established special vehicles of focus. Engineering Staff College of India (ESCI), National Design & Research Forum (NDRF), Rural Development Forum (RDF), Safety & Quality Forum (SQF), Sustainable Development Forum (SDF), Water Management Forum (WMF) and National Skill Development Forum (NSDF) are such focused initiatives. IEI is authorized to operate Indian Section of the International Professional Engineers (IntPE) Register under International Professional Engineers Agreement (IPEA). All eligible Indian engineers can now apply for International Professional Engineers (IntPE) Certification through IEI only.

About Belapur Local Centre :

The Council of IEI set up Belapur Local Centre (BLC) in May 1994. Ever since its inception, BLC is vibrant with active participation from its office bearers and ever increasing members. BLC is situated in a 1000 Sq.Meters plot in Sector 15, Central Business District(CBD), close to Belapur Railway Station in Navi Mumbai. IEIBLC At present, IEIBLC has over 3600 members comprising of engineers from 17 Divisions (Civil, Mechanical, Electrical, ET, Computer Engg, Architecture, Mining, Textiles...). These high profile engineers are from Thane, Raigad, Navi- Mumbai etc. IEIBLC organizes series of lectures, speeches, workshops, seminars, symposia etc., to disseminate knowledge and create a platform for exchange of technical ideas between members, non members, with participation of a number of leading companies and organizations.

Preamble :

The IEI BLC Silver Jubilee Awards-2019 has been instituted on the occasion of the completion of 25 years of Belapur Local Center. This award recognizes industry leaders for their innovation, excellence in engineering operations and services and their capacity to sustain excellence in a competitive manner. The bench-marks created by the industries in India have included productivity, quality, safety and performance assurance which would give India the rightful place in the global markets.

Categories of Awards :

The Awards would be given to the organisations engaged in Engineering Manufacturing & Processing (EMP) as well as Engineering Services & Consultancy (ESC) under the following categories:

(a) Engineering Manufacturing & Processing (EMP)	(b) Engineering Services & Consultancy (ESC)
1. Process and Productivity Improvement /Innovation	1. Project Management improvement
2. Energy Conservation	2. Innovative approach
3. Environment Protection	3. Environment Protection
4. Skill Improvement and Employability Scope Generation	4. Skill Improvement and Employability Scope Generation

Turnover for Large scale (Above 5000 cr) & Medium scale (between 5000 to 500 cr) and Small Scale (below 500 cr) in EMP.

Turnover for Turnover for Large scale (Above 500 cr) and Medium scale (between 500 to 100 cr) and Small Scale (below 100 cr) in ESC.

Safety, CSR, Growth, Corporate Governance and Sustain ability will be the common criteria considered for each awards. Last three years data will be considered for award criteria.

Modalities for the Award :

The Award is 'application based' and every engineering industry working in the Belapur Local Centre jurisdiction (Navi Mumbai, Thane, Raigad, Ratnagiri and Sindhudurg) is welcome to participate. Awards will be given to industry/ industries selected on the basis of assessment report of the Jury.

Assessment Process :

The Jury for the selection will look for the procedure being followed by the industry and their bench marking. The Jury will also look into innovative approaches that the industry has been involved in and the improvement in performance of the industry. The Jury will also be interested in finding out the thrust of the corporate governance and corporate social responsibility strategies and other innovative approaches, improving competitiveness for the greater benefit of the society and the country.

The assessment of the applications will be carried out at two levels as follows:

- The first level of assessment would be carried out based on the weightage given to different items in the application proforma. The short listed applications will then be selected and may be called for presentation.
- The second and final level assessment would be carried out by the Jury Board.

The decision of the Jury would be communicated to the selected Award winners. The decision of the Jury shall be final and binding.

Application Process :

The application has to be sent as per the enclosed format, which can also be downloaded from the website of BLC (www.ieiblc.org) along with the requisite application fees. The application is to be submitted in 3 hard copies along with a soft copy to mail id blcawards@gmail.com

Application Fees :

Large scale industries: Rs. 10000/-
Medium scale industries: Rs. 7000/-
Small scale industries : Rs. 5000/-

All application fees will be inclusive of applicable GST (or any other taxes).

Payments to be made by cheques/drafts drawn in favour of "The Institution of Engineers (India)". Transfer through NEFT/RTGS will be also accepted. The Bank account details for the said purpose are as under:

Bank Detail :

A/c. Name : Institution of Engineers (India)

Account No. : 10309453107 **IFSC Code** : SBIN0006240 **MICR** : 400002109

Bank Name : State Bank of India **Branch Name** : Konkan Bhawan (Navi Mumbai)

Important Date :

The last date for application: 15th January, 2020.

Presentation of awards: 28-29th February, 2020

The Award :

The Award consists of a Trophy and a Certificate.

Disclaimer :

BLC will take every care to protect the confidentiality of the assessment process. Information provided in the application will be made available only to the assessors, jury and concerned persons.
