About The Institution of Engineers (India) :

The Institution of Engineers (India) is the largest multi-disciplinary professional body of engineers with 15 engineering disciplines and over 2,00,000 Corporate Members in India and abroad. The Institution was established in 1920 and was incorporated by Royal Charter in 1935. In order to provide special attention to some of the important national issues, in addition to engineering disciplines, it has established special vehicles of focus. Engineering Staff College of India (ESCI), National Design & Research Forum (NDRF), Rural Development Forum (RDF), Safety & Quality Forum (SQF), Sustainable Development Forum (SDF), Water Management Forum (WMF) and National Skill Development Forum (NSDF) are such focused initiatives. IEI is authorized to operate Indian Section of the International Professional Engineers (IntPE) Register under International Professional Engineers Agreement (IPEA). All eligible Indian engineers can now apply for International Professional Engineers (IntPE) Certification through IEI only.

About Belapur Local Centre :

The Council of IEI set up Belapur Local Centre (BLC) in May 1994. Ever since its inception, BLC is vibrant with active participation from its office bearers and ever increasing members.
